on crop to the market, is a greatgrandnephew of Rebecca Gratz, the original of the Rebecca of Scott's A census of the population Petersburg was taken during the night ernor of Massachusetts by the Republ

between June 26 and 27. It is stated at Boston on the 12th. that the population amounted to 843,lation was then 929,016, so that it has limininished during the last six and a half years. There are reasons, how-ever, for supposing that both statements are incorrect. Ir is suggested that American women

who ride should no longer follow the English fashion of sitting on the left ide of the horse. There the custom of turning to the left on the road places the lady away from the wheels of any vehicle she may meet. But 13th was reported steadily growing weak-here common sense dictates that the woman sit on the right. They have

Fon the fiscal year 1887-8 the sales of public lands in this country amounted to \$11,005,000, compared with \$9,-000,000, of the year previous, and \$5,-000,000 for each of the two preceding cenrs. As early as 1856, says the New York Commercial Bulletin, the land sales rose nearly to \$9,000,000, but October. then they fell off and went as low as \$152,000 in 1862 and never rose above \$4,000,000 again for twenty years. In 1882 they again reached \$5,000,000; in 1883, nearly \$8,000,000; in 1884, nearly \$10,000,000, and then after two years at \$5,000,000 they began to rise and for the year just closed reached their highest mark.

THE Minnesota Railroad Commisioners have adopted the same grades of wheat that obtained last year and a few easily frightened operators are breathing easier. The Commissioners say that no change ever was in contemplation. R. C. Burdick, ex-chief grain inspector, said that grade represented quality and not value. Price Republican League of Chicago visited was fixed after the mercantile value General Harrison at Indianapolis on the was established, and, that this value should be firmly established, the grade should be made as constant and unchangeable as possible, so that the buyer and seller might operate intelligently, and misunderstanding and disaster be averted.

Of nearly 0.000 miles of ateel rail, well bullasted with iron and steel bridges, an equipment unexcelled, with over 300 pessecarer trains drilly, traversing the great states of Missouth, Ill. INOS. end of San Bernardino County.

For the past two months a strange disease has attacked members of the tribs. Its spread at last became so alarming that the members of the tribe became panic stricken and slaughtered their dogs and burros as a sacrifice to appears the anger of the great father. This proving of no avail, council was held at which every buck in he tribe was present. The medicine men sat around a huge pot which was filled with herbs, while the bucks squated in a semi-circle seaue distance away. and of San Bernardine County.

tepes or cabin.

With yells and imprecations the frenzied reds drove their women to the place where the council had been held and where the white pigeon still lay among the borbs and grasses. The squaws were driven in sin-gle file with the mediches men watching gfe file with the medicine ment watching with nervous excitement the face of each as she passed the bird. Finally a young squaw, the daughter of Cresco, a subchief, stepped out of the ranks and was about to pick up the bird when the medicine men with loud yells seized her and pinioned her arms. She pleasted piteously for her life, which rhe accumed to foresee was in peril, but the medicine men persisted in dragging her to the council place. The death of the femnia pigoon was conclusive evidence that a

The poor girl, who was but eighteen years old, was stripped of her clothes, tied to a stake and a slow fire built under her.

fore ten o'clock yesterday morning Ap ered himself to United States Marshal Dver to answer the charge of unlawful cohabita-tion. Nothing that has occurred in this Territory for a number of years created such a sensation as the circulation of this report throughout the city.

each indictment. The court then sentenced him to seventy-five days' imprisonment and a fine of \$200 on the first indictment and 100 days and \$250 on the second. He was at once taken to the penitentiary. The indignation among the Gentiles is intense. They think that under the pocu-liarly aggravated circumstances in Can-

ilarly aggravated circumstances in Cannon's case he should have received the full
penalty of the law. Cannon is the first
Mormon who has been sentenced by Judge
Sanford, who was recently appointed
United Justice by Cieveland.

It is generally understood that the Mormon Church will som abandon polygamy
by an edict and then apply for Statehood.

wounding the wife and a daughter. darmes have been sent in pursuit.
